

## I'm Tired

Mel Tillis

Standin' on the corner of a busy street  
I'm lookin' for your face in every crowd I see  
Checking every honky tonk in this town  
Tryin' to find the places that you hang around

Oh Lord, I'm tired, tired of living this a way  
Now I've been waitin' on you baby, night and day  
A wonderin' if your love will ever come my way

But time's runnin' out and I'm a slowin' down  
Tired of being just another hang around  
Oh Lord I'm tired tired of living this a way

Well, there ain't no happiness in anything I do  
I found myself so lonely when I'm not with you  
What makes you just a kinda girl a guy will love  
You've got so many others that you're thinking of

Oh Lord, I'm tired, tired of living this a way  
Oh Lord, I'm tired, tired of living this a way
