Pick Me Up On Your Way Down

Mel Tillis

You were mine for just a while now you're puttin' on the style And you've never once looked back at your home across the track You're the gossip of the town but my heart can still be found Where you tossed it on the ground, pick me up on your way down

Pick me up on your way down when you're blue and all alone When their glamor starts to bore you come on back where you belong

You may be their pride and joy but they'll find another toy Then they'll take away your crown pick me up on your way down

They have changed your attitude, now you're haughty and so rude Your new friends can take the blame underneath, you're still the e same

When you've learned these things are true I'll be waiting here for you

As you tumble to the ground pick me up on your way down Pick me up on your way down
