

## Stay A Little Longer

Mel Tillis

Well, you've all seen my little blue-eyed Sally  
She lives a-way down on Shinbone Alley  
The number on the gate and the number on the door  
The next house over is the grocery store

Stay all night, stay a little longer  
Dance all night, dance a little longer  
Pull off your coat, throw it in the corner  
Don't see why you don't stay a little longer

Well, sittin' on the window talkin' to my love  
A slop bucket fell from the window up above  
Mule and the grasshopper eatin' ice-cream  
The mule got sick, and we laid him o'er the beam

Stay all night, stay a little longer  
Dance all night, dance a little longer  
Pull off your coat, throw it in the corner  
Don't see why you don't stay a little longer

Well, you can't go home if you're goin' by the mill  
The bridge washed out at the bottom of the hill  
Big creek's up, and the little creek's left  
Plow my corn with a double shovel

Stay all night, stay a little longer  
Dance all night, dance a little longer  
Pull off your coat, throw it in the corner  
Don't see why you don't stay a little longer

Stay all night, stay a little longer  
Dance all night, dance a little longer  
Pull off your coat, put it in the corner  
Don't see why you don't stay a little longer
