

## Sweet Mary And The Miles In Between

Mel Tillis

Standing alone at an old country crossroad  
Wondering which way will lead me to home  
Ever so weary from chasing a dream  
Thinking of Mary sweet Mary and the miles in between  
Crossroads around me tell me you found me  
Found me to lead me to the end of my dreams  
Three roads would lead me from the one who may need me  
But the other to Mary sweet Mary and the miles in between

One lonely night I left out of anger drifting and wasting life'  
s precious hours  
But only last night I dreamed that a stranger  
Is gathering for Mary sweet Mary beautiful flower  
Crossroads around me
