

Tupelo County Jail

Mel Tillis

Come on and write write write me a letter send that letter by mail

Send that letter in care of the Tupelo County jail

Come on and wish me the best of love dear there's no one to go my bail

There's never been a place so lonely as the Tupelo County jail

Fill that letter full of kisses gonna have me a ball

Cause baby kisses on paper are better than no kisses at all

Come on and write write write me a letter

Fill that letter full of kisses,

Come on and write write write me a letter,
