

World (what Have I Done)

Mel Tillis

World what have I done to make you frown on me to cast me endlessly

Into your variety what have I done what have I done

World what have I done to numb my brain with wine to lose all track of time

To know no peace of mind what have I done what have I done

I can get my head above the water I can get my head above the water

World what have I done to no one be a worth to never have no merit

To live this hell on earth what have I done what have I done

World what have I done to walk these lonely streets wherever returns debit

Too hungry to eat what have I done what have I done

I can get my head above the water
