

New York State Of Mind

Mel Tormé

Some folks like to get away, take a holiday from the neighborhood
Hop a flight to Miami Beach or Hollywood
Well I'm taking a Greyhound on the Hudson River line
I'm in a New York state of mind

I've made it to Mozambique, climbed a mountain peak, drove a racing car
Made plans for Tahiti, but that's way too far
My heart's in the big town, and I don't wanna waste more time
I'm in a New York state of mind

It comes down to reality and it's fine with me cause I've let it slide
Don't care if it's Chinatown or 'round River Side
I don't have any reasons I left them all behind
I'm in a New York state of mind

It was so easy living day by day
Out of touch with the rhythm of the blues
But now I need a little give and take
The New York Times, The Daily News

It comes down to reality and it's fine with me cause I've let it slide
Don't care if it's Chinatown or 'round River Side
I don't have any reasons I've left them all behind
I'm in a New York state of mind

I'm taking a Greyhound on the Hudson River line
Cause I'm in a New York
I'm in a New York state of mind
