

Burn

Melanie C

If I were somebody else
I'd be calling me stupid
But I still do this
No way that you're gonna change
Nothing to say that I wanna hear
I gotta get outta here

I've been driving down this road with my eyes closed
Tryin' to get lost
But I know I'll be back again
And it's easy to escape
But as long as there's a way I can reach you
I know it's never gonna be over

I'm throwin' matches
I'm lightin' dynamite
It never catches
This bridge won't burn
I drop the lighter
Into the gasoline
No fire
This bridge won't burn, burn, bu-urn
This bridge won't burn, burn, bu-u-u-urn

Can't even say it's your fault
'Cos I know it's me
That let you let me down
Another last chance
But I'm not fooling anyone
You know better than anyone

I've been driving down this road with my eyes closed
Tryin' to get lost
But I know I'll be back again
And it's easy to escape
But as long as there's a way I can reach you
I know it's never gonna be over

I'm throwin' matches
I'm lightin' dynamite
It never catches
This bridge won't burn
I drop the lighter
Into the gasoline
No fire
This bridge won't burn, burn, bu-urn
This bridge won't burn, burn, bu-u-u-urn

Maybe there's a reason that I'd
Rather be lonely with you
Than lonely alo-o-one

Tell me the reason why I'd
Rather be lonely with you
Than lonely alo-o-o-o-one

I'm throwin' matches

I'm lightin' dynamite
It never catches
This bridge won't bu-u-urn
This bridge won't bu-u-u-u-u-u-urn

I'm throwin' matches
I'm lightin' dynami-ite
It never catches
This bridge won't burn

I dropped the lighter
Into the gasoline
No fire
This bridge won't burn, burn, bu-urn [4x]
[Echo] This bridge won't burn

This bridge won't burn
