

Dear Life

Melanie C

Don't know if I believe in a God
Don't know if I believe there's not
Don't know if I believe in fate
Don't know if I believe we make our own way

I love, I lose, I scar when I bruise
Well, dear life

Sometimes I feel you carry me
And then I feel you're letting go
No ties, I'm wild, running free
Am I a fool to think I'm in control?
Should I lay back, and let the tide wash over me?
All the fight, dear life
What do you hold from me?

Maybe I should believe what I'm told
Maybe I should believe what glitters is gold
Maybe I should say what's on my mind
Maybe if I keep my mouth shut I'll be fine

I hate, I burn
I bless and curse
Well, dear life

Sometimes I feel you carry me
And then I feel you're letting go
No ties, I'm wild, running free
Am I a fool to think I'm in control?
Should I lay back, and let the tide wash over me?
All the fight, dear life

The only thing I know for sure when I get enough of this life
The only thing I know for sure, we're gonna be alright
The only thing I know for sure when I get enough of this life
The only thing I know for sure, we're gonna be alright

Sometimes I feel you carry me
And then I feel you're letting go
No ties, I'm wild, running free
Am I a fool to think I'm in control?
Should I lay back, and let the tide wash over me?
All the fight, dear life
What do you hold from me?
