

Stupid Game

Melanie C

I'm not gonna live a lie
Just for your entertainment
You started this stupid game
But all the rules have changed again

If I were a stranger
Would I be safer
Who do you want me to be, to love, to hurt, to trust?

I'm not gonna fall apart to get your attention
I know what I want but it's not an addiction
Wo-o-o-oah I've only got the truth
Wo-o-o-oah is that enough for you

I see through your empty affection
I know who I am, I can face my reflection
Wo-o-o-oah I've only got the truth
Wo-o-o-oah Wo-o-o-oah

Under the microscope
See all the imperfections
You wanna be so close
To all the dirt and grime but why?

If I were a danger
Would that amaze ya
Is that who you want me to be, to love, to hurt, to trust?

I'm not gonna fall apart to get your attention
I know what I want but it's not an addiction
Wo-o-o-oah I've only got the truth
Wo-o-o-oah is that enough for you

I see through your empty affection
I know who I am, I can face my reflection
Wo-o-o-oah I've only got the truth
Wo-o-o-oah Wo-o-o-oah

Wo-o-oah
Wo-o-oah

You started this stupid game
Maybe I'll take some blame
But I can't take it aaaaall

I'm not gonna fall apart to get your attention
I know what I want, know what I want
Wo-o-o-oah I've only got the truth
Wo-o-o-oah is that enough for you

I see through your empty affection
I know who I am I can face my reflection
Wo-o-o-oah I've only got the truth
Wo-o-o-oah Wo-o-o-oah

Wo-o-o-oah Wo-o-o-oah Wo-o-o-oah
I've only got the truth
