

## Suddenly Monday

Melanie C

Suddenly monday appears again.  
Where was the weekend? I lost it again.  
Run to the bus stop, its never on time.  
I couldnt care less cause, you make me feel fine.

Whenever Im down, you're always around.  
Maybe this time true love I've found.  
What would I do if I didnt have you?  
The things that you say, the things that you do.

You make me high, I wish that you knew,  
I wish I could tell you, together we'd fly.  
Open your eyes, start reading my mind.

Same conversation every day  
so much to ask you, but cant find a way.  
Whenever you're going can I come along?  
Whatever your star sign wherever you're from.

The end of the day  
and you're still around  
my head's in the clouds, feet on the ground  
maybe I should, and maybe you would  
maybe tonight, if only we could

You make me high, I wish that you knew,  
I wish I could tell you, together we'd fly.  
Open your eyes, start reading my mind.
