

## Sweet Sorrow

Melanie Doane

Sweet morning  
Takes you away  
Sweet nothings  
We try to say  
Only music fills the space  
Only sadness on my face  
Sweet Sorrow  
Parting is such  
Sweet sorrow  
Sweet misery  
I love your company  
But one day  
It's you I'll send away  
Only music fill the space  
Only sadness on my face  
Sweet sorrow  
Parting is such  
Sweet sorrow  
Parting is such  
Parting is such  
Parting is such
