

Sweet Sorrow

Melanie Doane

Sweet morning
Takes you away
Sweet nothings
We try to say
Only music fills the space
Only sadness on my face
Sweet Sorrow
Parting is such
Sweet sorrow
Sweet misery
I love your company
But one day
It's you I'll send away
Only music fill the space
Only sadness on my face
Sweet sorrow
Parting is such
Sweet sorrow
Parting is such
Parting is such
Parting is such
