

Wilma Or A Betty Man

Melanie Doane

This love is so new
And i wanna know everything about you,
Like what you wear to bed,
Do you think Elvis is dead?
I wanna know everything that's going on in your head.

Are you a wilma or a betty man?
Do you drive a mercedes or a trans am?
Do you have a single malt or a beer in your hand?
Will you love me like no other can?
What kinda man...
I wanna know.
What kinda man...
I wanna know.

Do you like when I touch your hair?
Are you wearing boxers under there?
Tell me, who was your first kiss?
Did it feel like this?
Who makes it on your desert island list?

Are you a wilma or a betty man?
Do you drive a mercedes or a trans am?
Do you have a single malt or a beer in your hand?
Will you love me like no other can?
What kinda man...
I wanna know.
What kinda man...
I wanna know.

The more of you, you let me see
The stronger i know my love will be
I was trying to understand
So come on show me what kinda man.
Oh yeah

So what do you wear to bed?
Do you think Elvis is dead?
I wanna know everything that's going on in your head.

Are you a wilma or a betty man?
Do you drive a mercedes or a trans am?
Do you have a single malt or a beer in your hand?
Will you love me like no other can?
What kinda man...
I wanna know.
What kinda man...
I wanna know.

Are you a wilma or a betty man?
Do you drive a mercedes or a trans am?
Do you have a single malt or a beer in your hand?
Will you love me like no other can?
What kinda man...
I wanna know.
Do you like ginger or mary?
I wanna know

Yeah tell me what kinda man
I wanna know.
Tell me what kinda man
I wanna know
Yeah tell me what kinda man
I wanna know.
Tell me what kinda man
I wanna know
