

What Am I To Do

Melanie Fiona

I used to dream
Set my mind on waiting patient for you to see
Oh, giving you my heart and soul
Tell me now, don't look down
Cause when I look in your eyes I know, oh

We can never be,
I'm talking to myself
When I know the one thing you need
And maybe that's me

Oh, why, am I so blind to only see you?
What am I to do?
I've tried many times to the point there's really no use
So tell me what am I to do?

You and me could be so good
I only wish you could see... what I see
Never felt this hard before
Tell me you'll be the one to catch me
Before I hit the floor
(Cause, I'm fallin)

We will never be
If you don't let yourself feel that same thing for me
Maybe we'll see

Oh, why, am I so blind to only see you?
What am I to do?
I've tried many times to the point there's really no use
So tell me what am I to do?

Two ships in the night - that's us
Don't wanna let this thing pass us
If you would only just ask her
She could be the queen to your castle
Maybe even share the same address
We could take our time, oh no stress
Love is a game kinda like chess,
I've made my move
You're next.

Oh, why, am I so blind to only see you?
What am I to do?
I've tried many times to the point there's really no use
So tell me what am I to do?
