

# Cake

Melanie Martinez

Your skin is warm like an oven  
Your kiss is sugary sweet  
Your fingers feel like cotton  
When you put your arms around me  
I feel like I'm just missing  
Something whenever you leave  
We've got all the ingredients  
Except you loving me  
And respectfully...

[Chorus:]  
I'm not a piece of cake  
For you to just discard  
While you walk away  
With the frosting of my heart  
So I'm taking back  
What's mine, you'll miss  
The slice of heaven that  
I gave to you last night

You smell just like vanilla  
You taste like buttercream  
You're filling up my senses  
With empty calories  
I feel like I'm just missing  
Something whenever you leave  
We've got all the ingredients  
Except you needing me  
So respectfully...

[Chorus]

[Bridge:]  
If I am just a piece of cake  
I am just a piece of cake (cake)  
Then, you're just a piece of meat  
You're just a piece of meat to me  
If I am just a piece of cake  
I am just a piece of cake (cake)  
Then, you're just a piece of meat  
You're just a piece of meat to me

[Chorus]

The slice of heaven that I gave  
The slice of heaven that I gave to you  
The slice of heaven that I gave to you last night
