

Drama Club

Melanie Martinez

Everyone's so soft
Everyone's so sensitive
Do I offend you?
You're hanging on my sentences

You can keep your costume and you can keep your mask
I'ma take a bow, so you can kiss my ass

I never signed up for your drama
Up for your drama
Up for your drama club
I never signed up for your drama
Up for your drama club

They try to feed you lines that you have to memorize
You always hide behind your Wizard of Oz disguise

Do you even have a brain?
You're sticking to a page
You're faking all your pain yet you're bleeding on a stage

I never signed up for your drama
Up for your drama, up for your Drama Club
I never signed up for your drama
Up for your Drama Club, ooh
I never signed up for your Drama Club
Ooh, ooh, for your Drama Club
I never signed up for your drama
Up for your drama, up for your Drama Club
I never signed up for your drama
Up for your drama, up for your Drama Club

I don't wanna be an actress, living by a script
Who cares about practicing? I don't give a shit
You're over-analyzing every word I say
There's a whole new world out there
You're living a play
Fuck your auditorium, I think it's pretty boring and

I never signed up for your drama
Up for your drama, up for your Drama Club
I never signed up for your drama
Up for your Drama Club, ooh
I never signed up for your Drama Club
Ooh, ooh, for your Drama Club
I never signed up for your drama
Up for your drama, up for your Drama Club
I never signed up for your drama
Up for your drama, up for your Drama Club

(For your Drama Club, mhm, mmm)
I never signed up, mmm, mmm
I never signed up, never signed up
Never signed up for your Drama Club
Never signed up for your drama
For your drama, for your Drama Club
Never signed up for your drama

Up for your drama, for your Drama Club
I never signed up for your drama
Up for your drama, up for your Drama Club
I never signed up for your drama
Up for your drama, up for your Drama Club
I never signed up for your drama
Up for your drama, up for your Drama Club
I never signed up for your drama
Up for your drama, up for your Drama Club
(Drama Club, Drama Club, Drama Club, Drama Club, Drama Club)
