

High School Sweethearts

Melanie Martinez

Can we just be honest?
These are the requirements
If you think you can be my one and only true love
You must promise to love me
And damn it, if you fuck me over
I will rip your fucking face apart
High school sweethearts

If you can't handle a heart like mine
Don't waste your time with me
If you're not down to bleed
No oh
If you can't handle
The choking the biting the loving the
Smothering till you can't handle it no more
Go home
