

## Recess

Melanie Martinez

People gonna say  
''If you need a break, someone will take your place''  
People gonna try, to tell you that you're fine  
With dollars in their eyes  
Just remember...  
Don't let them fuck you honey, no oh  
Don't let them try  
Oooh, don't let them hurt you, baby  
Just say, ''Recess, I'm tired''
