

# You Love I

Melanie Martinez

The end, I move back in  
Before you knew it, I cheated on him  
Ohh yeah, that's what happens when you don't try

You know I always thought about him  
Even when the other boys sneak in  
But infidelity would never even cross my mind

Wonderful, so wonderful  
But boy, don't get too comfortable  
'Cause what we have is untouchable  
I stood deaf, till I stood dead  
Untied a knot in my wedding dress  
He got down on one knee and he said

You love I  
You love I  
You love I  
Do I? Do I? Do I? Do I?

Oh oh, I move back out  
He invited me into his fancy house  
It's been so long we might as well try

Wonderful, so wonderful  
You turned my heart into a puppet show  
If you like me, please, let me know  
One day, the very first date  
He walked on over and he asked my name  
He could be the one to say

You love I  
You love I  
You love I  
Do I? Do I? Do I? Do I?

I love you  
I love you  
I love you  
I do, I do, I do, I do

I do, I do, I do, I do  
Do I? Do I?  
You love I  
I do, I do, I do, I do  
Do I? Do I?
