

## Again

Melanie

Nothing for me to do  
But be alone  
Tonight  
Maybe I'll sit and write  
'Cause if I don't  
The ones I met won't  
Be my friends for life

Where did I put my paper and pen  
Well, I'm looking around  
Again  
My room is a mess  
I can't find the address  
Of the ones I like best  
Again

Nothing for me to do  
But be alone  
Again  
Where did I put my friend  
I lost the address  
Of the place I like best  
And I'm looking around  
Again

Nothing for me to do  
Well, I'm looking around  
Again  
Where did I put my friend  
I lost the address  
Of the place I like best  
And I'm looking around  
Again

Nothing for me to do  
But be alone  
Tonight  
Maybe I'll sit and write  
'Cause if I don't  
The ones I met won't  
Be my friends for life
