You live in the same world as I do But somehow I never noticed You before today I'm ashamed to say

Beautiful people We share the same back door And it isn't right We never met before But then We may never meet again If I weren't afraid you'd laugh at me I would run and take all your hands And I'd gather everyone together for a day And when we gather'd I'll pass buttons out that say Beautiful people Then you'd never have to be alone 'Cause there'll always be someone With the same button on as you Include him in everything you do.

Beautiful people
You ride the same subway
As I do ev'ry morning
That's got to tell you something
We've got so much in common
I go the same direction that you do
So if you take care of me
Maybe I'll take care of you

Beautiful people You look like friends of mine And it's about time That someone said it here and now I make a vow that some time, somehow I'll have a meeting Invite ev'ryone you know I'll pass out buttons to The ones who come to show Beautiful people Never have to be alone 'Cause there'll always be someone With the same button on as you Include him in ev'rything you do He may be sitting right next to you He may be beautiful people too And if you take care of him Maybe I'll take care of you And if you take care of him Maybe I'll take care of you... eople
