

I'm So Blue

Melanie

I'm so blue
What happened to me shouldn't happen to the worst of you
What can I do to prevent you from going thru
What I've been going thru
Momma told me this man would leave me eventually
I couldn't see the trees from the forest or
How does that saying go
I'm so blue

Since you're gone well to tell you the truth I feel I can't go
on
Where love has gone there's the emptiest feeling in all of this
world
I'm a lonely girl

I'm so blue
There are no warning words that we'll listen to
Nothing I can do to prevent you from going thru what I've been
going thru
I'm so blue... I'm so blue... I'm so blue
