

Pebbles In The Sand

Melanie

Isn't it grand
I picked up a pebble on the sand
It knows my hand
I taught the sea my song
And it sings it for me when I am gone

Seasons of rain
I bring my little river
The sea knows my pain
I gave the sea my tears
And they'll cry for you when I am not here

Under the sun
All of the pebbles on the sand
Know why I've come
The sea knows what I've done
And it missed the sea toys that I took home
And it's gonna miss me when I am gone
And it's gonna miss you 'cause we are one

Isn't it grand
Picked up a pebble on the sand
It knows my hand
I taught the sea my song
And it sings it for me when I am gone
And it's gonna miss me when I am gone
