Gyroscope

Melechesh

Come face to face with it Pushed on your side Lose all your self control Worlds will collide

Inside out, you can't cope
My gyroscope

Witness the fall from grace You shed your skin Change if it pleases you Just don't give in

Inside out, you can't cope
My gyroscope

Quiet now she said
You're waking up the dead
I cradle the excuse
In love with the abuse
I handle it with ease
It's a dignified disease
Slow down

Soul searching breaks you down You'll never learn Annihilate yourself All things must burn

Inside out, you can't cope
My gyroscope (repeat)

Quiet now she said You're waking up the dead I cradle the excuse In love with the abuse
