

# Ain't It Heavy

Melissa Etheridge

Sometimes I know that it's never enough  
Survival is fine but satisfaction is rough  
I try with an angel tonight  
Spread these wings and I'm on for the ride  
Cruise these streets where my innocence hides  
There's some things you can't deny  
What is it about this human condition  
I need some kind of promise  
Some kind of submission tonight

Heavy  
Ain't it heavy  
Ain't the night heavy  
Heavy  
Ain't it heavy  
Ain't the night heavy

I'm feelin' kinda loose, I'm feelin' kinda mean  
I've been feeling kinda wild since I turned seventeen  
Or, is it madness  
Tell me where can a woman find any kind of peace  
When does the fury and the agony cease  
How long have I got to say please  
There's a hole in my jeans I only wanted to fade  
I've been ripping out seams  
Somebody else made tonight

Heavy  
Ain't it heavy  
Ain't the night heavy  
Heavy  
Ain't it heavy  
Ain't the night heavy

So heavy  
This woman needs  
This woman needs some  
please,  
please, please, is never enough  
hm, you feel so, feel so  
feels, so, so  
tonight, tonight  
yeah

feels so heavy  
heavy, heavy  
oh so heavy  
this night is so  
night is so hard  
it's so heavy  
the night heavy  
come on, come on  
come on  
so heavy
