

Any Other Way

Melissa Etheridge

Here you come again, you wanna know that who my friend
I know why you're here; she wants to know how I feel
Tell her that I'm happy, tell her that I'm okay
Tell her I won't have it, any other way, any other way
No other way, darling

People have been talking, since we've been apart
When I pass I hear them whisper, there he goes with a broken heart
When she ask about me, here is what you say
Tell her I wouldn't have it, any other way, any other way
No other way, now, baby (any other way)
Oh, yeah

That's all I have to say, my friend, we better say goodbye
Think you'd better go right now, or you might see me cry
Oh when you see my baby, this is what you say
Tell her I wouldn't have it, tell her I wouldn't have it, any other way
(Any other way)
Oh, no other way, baby
(Any other way)
Any other way
(Any other way)
Oh, yeah
(Any other way)
No other way, baby
(Any other way)
I wouldn't have it now darling
(Any other way)
I wouldn't have it in other way
(Any other way)
Oh, I found, I found, baby, no no
(Any other way)

Any other way
