

# Breathe

Melissa Etheridge

I played the fool today  
I just dream of vanishing into the crowd  
Longing for home again  
Home, is a feeling I buried in you

I'm alright, I'm alright  
It only hurts when I breathe

And I can't ask for things to be still again  
No I can't ask if I could walk through the world in your eyes  
Longing for home again  
Home, is a feeling I buried in you

I'm alright, I'm alright  
It only hurts when I breathe  
I'm alright, I'm alright  
It only hurts when I breathe

My window through which nothing hides  
And everything sees  
I'm counting the signs and cursing the miles in between

Home

Home, is a feeling I buried in you, that I buried in you

I'm alright, I'm alright  
It only hurts when I breathe  
I'm alright, I'm alright  
It only hurts when I breathe, when I breathe  
Yeah, it only hurts when I breathe, when I breathe  
Oh, it only hurts when I breathe
