## **Breathe**

**Melissa Etheridge** 

I played the fool today I just dream of vanishing into the crowd Longing for home again Home, is a feeling I buried in you

I'm alright, I'm alright It only hurts when I breathe

And I can't ask for things to be still again No I can't ask if I could walk through the world in your eyes Longing for home again Home, is a feeling I buried in you

I'm alright, I'm alright
It only hurts when I breathe
I'm alright, I'm alright
It only hurts when I breathe

My window through which nothing hides And everything sees I'm counting the signs and cursing the miles in between

Home

Home, is a feeling I buried in you, that I buried in you

I'm alright, I'm alright It only hurts when I breathe I'm alright, I'm alright It only hurts when I breathe, when I breathe Yeah, it only hurts when I breathe, when I breathe Oh, it only hurts when I breathe
