

Bring Me Some Water

Melissa Etheridge

1. Tonight I feel so weak
but all in love is fair
I turn the other cheek
And I feel the slap and the sting of the foul night air

And I know you're only human
And I haven't got talking room
But tonight while I'm makinng excuses
Some other woman is making love to you

R: Somebody bring me some water
Can't you see I'm burning alive
Can't you see my baby's got another lover
I don't know how I'm gonna survive
Somebody bring me some water

Can't you see it's out of control
Baby's got my heart baby's got my mind
But tonight the sweet devil, sweet devil's got my soul

2. When will this aching pass
when will the night be through
I want to hear the breaking glass
I only feel the steel of the red hot truth
And I'd do anything to get it out of my mind
I need some insanity that temporary kind
tell me how will I ever be the same
when I know that woman is wispering you name

R:
Oh, devil's got my soul
