

# Change

Melissa Etheridge

You woke me up at 3:00 a.m.  
to tell me about the fire  
You said that she was more than just a friend  
You were consumed by your desire

And so it goes  
This too shall pass away  
It cuts so strange  
The only thing that stays the same  
is change

Your love was here but now it`s gone  
And your eyes no longer want me  
And now I cant hold back the dawn  
And the truth that seems to haunt me

And so it goes  
this too shal pass away  
it cuts so strange  
the only thing that stays the same  
is change

the only thing that stays the same  
is change

I`m not so sure where I`ve been  
I dont know just where I`m going  
hard as I hold it in my hand  
I can stop the wind from blowing

and so it goes  
this too shall pass away  
it cuts so strange  
roll me away  
it cuts so strange  
the only thing that stays the same is change
