## **Christmas (Baby Please Come Home)**

## **Melissa Etheridge**

(Christmas) The snow's coming down (Christmas) I'm watching it fall

(Christmas) Lots of people around (Christmas) Baby please come home

The church bells in town They're ringing a song What a happy sound Baby please come home

They're singing deck the halls But it's not like Christmas at all I remember when you were here And all the fun we had last year

Pretty lights on a tree I'm watching them shine You should be here with me Baby please come home

Baby please come home Baby please come home Please, please, please, please

They're singing deck the halls But it's not like Christmas at all I remember when you were here And all the fun we had last year

(Christmas) If there was a way (Christmas) I would hold back these tears

(Christmas) But it's Christmas Day Baby, baby please, please, please, please, please Please, please, please, please, please

Baby please come home Baby please come home Baby, baby please come home Come home, come home, come home baby

Baby please come home Baby please come home Baby please come home Baby please come home, yeah
