

# I'm a Lover

Melissa Etheridge

Now there was a time, a long time ago, baby  
That you might have called me a tramp  
I ain't no tramp, honey...  
I'm a lover

Come on, feel it in this rock and soul  
Honey, don't say you ain't been told

Ooh I'm a lover  
(I'm a lover, baby)  
(I am a lover, honey)  
Like no other  
Ooh I'm a lover  
(I'm a lover, baby)  
(I am a lover, honey)  
And I'm the only child that'll drive you wild  
(I'm a lover, baby)

Now wait honey, now don't get me wrong  
I can prove this to you all night long  
Now come on baby, come on and hold me tight  
Come on, and get ready for the ride of your life

Ooh I'm a lover  
(I'm a lover, baby)  
(I am a lover, honey)  
There ain't no other, no no  
Ooh I'm a lover  
(I'm a lover, baby)  
(I am a lover honey)  
And I the only child that'll drive you wild, ooh  
(I'm a lover, baby)

I'm a lover  
I'm a lover  
Oh, come on  
I'm a lover

Now stop, I got this message straight from the King of Soul, baby  
His name is Otis and he wants you to know:

I'm a lover, baby  
I am a lover, honey  
I'm a lover  
Oh, I'm a lover, baby

(I'm a lover, baby)  
(I am a lover honey)  
Oh, oh, oh I'm a lover  
(I'm a lover, baby)  
(I am a lover)  
And I the only child that'll drive you wild, ooh  
(I'm a lover baby)

(I'm a lover)  
(I'm a lover, baby)
