I've Got Dreams to Remember

Melissa Etheridge

I've got dreams, dreams to remember I've got dreams, dreams to remember $\ensuremath{\text{I}}$

Honey, I saw you there last night Another man's arms were holding you tight Nobody knows what I feel inside All I know is I walked away and cried

I've got dreams
Dreams to remember
Listen, honey
(I've got dreams, dreams to remember)
Yeah

I had known you said he was just a friend But I saw him kiss you again and again These eyes of mine, they don't fool me Why did he hold you so tenderly?

I've got dreams
(Dreams to remember)
Dreams to remember
Listen, honey
(I've got dreams)
I've got dreams
(Dreams to remember)
Dreams to remember

Oh, no
I still want you to stay
I still love you anyway
I don't want you to ever leave
Honey, you know
How satisfy me

I've got dreams
(Dreams to remember)
To remember
Listen, honey
(I've got dreams)
I've got dreams
(Dreams to remember)
To remember

I know, I know you said he was just a friend But I saw you kiss him again and again These eyes of mine, they don't fool me Why did he hold you so tenderly?

I've got dreams
(Dreams to remember)
Dreams to remember
Listen, honey
(I've got dreams)
Don't make me
(Dreams to remember)
Don't make me suffer, baby

```
Don't make me suffer, baby!
(Dreams, dreams, dreams to remember)
Ohh!
I've got dreams
(Dreams, dreams, dreams to remember)
I've got, I've got, I've got, I've got, I've got, I've got
(Dreams, dreams, dreams to remember)
Dreams
Don't make me suffer, baby
Don't, don't, don't wanna make me
(I've got dreams, dreams, dreams to remember)
Don't wanna
I've got
To make me crying
(I've got dreams, dreams, dreams to remember)
Don't make me suffer, baby
(I've got dreams, dreams, dreams to remember)
I've got more dreams to remember
I've got
(I've got dreams, dreams, dreams to remember)
Dreams
To remember
Alright, yeah
That's all
(I've got dreams)
