

# If You Want To

Melissa Etheridge

Hello  
Yes that's what I said  
Guess I thought that I was dead  
So I just called you from my bed  
To say hello

See I've got this funny notion  
life is only just an ocean  
I've been drowning in emotion  
Now I'm swimming back to shore  
And I'd like to talk to you

If you want to  
You can call I'll be around  
If you want to  
You can write this number down  
If you want to  
If you want to  
Leave a message at the tone  
If you want to  
You can call me here at home  
If you want to  
I'll be alone

So now I've called  
So it's been a couple days, ok seven this I know that I've been moving kinda  
slow  
So I called  
Oh it must be so appalling if you think that I've been stalling  
This is me now I am calling  
And I'm better than before  
And I'd like to talk to you

Don't you wanna know, don't you wanna be  
Someone who takes a chance on a fool like me  
Staring at the door, starin' down the hall  
Waiting my whole life just for you to call

Hello  
Yes that's what I said  
I'm not breathing I'm not dead  
Waiting here now in my bed  
And I'd like to talk to you

If you want to  
You can call I'll be around  
If you want to  
You can write this number down  
If you want to  
If you want to  
Let your fingers do the walk  
If you want to  
I've got hours I can talk  
If you want to  
If you want to  
Leave a message at the tone  
If you want to

You can call me here at home  
If you want to

I'll be alone
