JUST STAND UP!

Melissa Etheridge

The heart is stronger then you think
It's like it can go through anything
And even when you think it can't, it finds a way
To still push on, though

Sometimes, you want to run away Ain't got the patience for the pain And if you don't believe Look into your heart The beat goes on

I'm telling you that
Things get better, through whatever
If you fall
Dust it off, don't let up

Don't you know, you can go Be your own miecale You need to know

If the mind keeps thinking You've had enough But, the heart keeps telling you Don't give up

Who are we to be questioning Wondering what is what Don't give up, through it all Just Stand Up

It's like we all have better days
Problems getting all up in your face
Just because you go through it
Don't mean it got to take control, no
You ain't gotta find no hiding place
Because, the heart can beat the hate
Don't wanna let your mind keep playing you
And saying you can't go on

I'm telling you that
Things get better, through whatever
Don't you know you
Can go
Be your own
Miracle
You need to know
You don't got to be a prisoner
In your mind
If you fall, dust it off
You can live with your life
Yeah

Let you heart be the guide Yeah, yeah, yeah

And you will know that your good If you trust in the good

Everything will be alright, yeah Light up the dark, if you follow your heart And it will get better Through whatever

You got it in you, find it within
You got it in now, find it within now
You got it in you, find it within
You got it in now, find it within now
You got it in you, find it within
Find it within you
Find it within
