

Message to Myself

Melissa Etheridge

I'm sending out a message to myself
So that when I hear it on the radio
I will know that I am fine,
I will know that I am loved.

I warned myself of the blackness in my chest
The razors in my heart would never rest
It's funny how you find just what you seek
Love is what you get when love is what you speak

I'm sending out a message to myself
So that when I hear it on the radio
I will know that I am fine,
I will know that I am loved.

I made every choice along the way
Each day I spent in hell I chose to stay
It's funny what you fear can make you weak
Truth is what you get when truth is what you speak

I'm sending out a message to myself
So that when I hear it on the radio
I will know that I am fine,
I will know that I am loved.

So if you are listening I am just passing through
You can take some for yourself 'cause it works that way too

Sha la la la la la la la la la
Sha la la la la la la la la la
I will know that I am fine,
I will know that I am loved.

I'm sending out a message to myself
So that when I hear it on the radio
I will know that I am fine,
I will know that I am loved.

I'm sending out a message to myself
So that when I hear it on the radio
I will know that I am fine,
I will know that I am loved.
