

# Rock and Roll Me

Melissa Etheridge

I think I'm ready to try my hand at love again  
Because in my darkest hour  
In my darkest hour, baby  
I could always call you friend

And it feels like you believe me  
When you hug me and you squeeze me  
And when I blush you tease me  
When you tell me you're gonna please me  
Come on baby rock and roll me  
Take me in your arms and hold me  
I want to be your one and only  
Baby rock and roll me  
All night long

Forgive me baby if I'm a little nervous now  
I never had a first time with such a familiar touch  
It's been a long, long, long, long, long time  
And I've needed this so much

And it feels like you believe me  
When you hug me and you squeeze me  
And when I blush you tease me  
When you tell me you're gonna please me  
Come on baby rock and roll me  
Take me in your arms and hold me  
I want to be your one and only  
Baby rock and roll me  
All night long

Ah you know me well so there are no games to play  
Grab hold of me honey pull me down  
And I will not run away

I think I'm ready,  
I think I'm ready

And it feels like you believe me  
When you hug me and you squeeze me  
And when I blush you tease me  
When you tell me you're gonna please me  
Come on baby rock and roll me  
Take me in your arms and hold me  
I want to be your one and only  
Baby rock and roll me  
All night long
