

Rock Me Baby

Melissa Etheridge

Dirty now

Oh, babe

You can rock me baby, you can rock me all night long, yeah

You can rock me baby, yeah, yeah, you can rock me all night long

Just keep on rocking me, baby

Baby, until my back ain't got no bones

Yeah

Roll me baby, roll me like a wagon wheel

Roll me baby, yeah, roll me just like a wagon wheel, huh

Cause you know when through the roll, baby, baby

You just don't know how good you make me feel

Ohhh

Oh, ho, ho, keep on rocking me, baby

Oh, you know I don't rock me so

Heh, heh, eh, keep on rocking me, baby

Keep on rocking me so, ahh

I want you to keep rocking me baby, baby

Oh, do when I just can't taking no more

Rock, rock, rock me baby

Rock me all night long, hey, hey, hey, hey, hey

Rock me baby, oh, you can rock me all night long, all night long, all night, all night, all night long

Ooh! Keep rolling me, baby, until my back ain't got no bones

Oh, rock me baby
