

Talking to My Angel

Melissa Etheridge

Don't be afraid
Close your eyes
Lay it all down
Don't you cry
Can't you see I'm going
Where I can see the sun rise
I've been talking to my angel
And he said that it's alright

I've always had to run
I don't know just why
Desire slowly smoking
Under the midwest sky
There's something waiting out there
That says I've got to try
I've been talking to my angel
And he said that it's alright

This town thinks I'm crazy
They just think I'm strange
Sometimes they want to own me
Sometimes they wish I'd change
But I can feel the thunder
Underneath my feet
I sold my soul for freedom
It's lonely but it's sweet

Don't be afraid
Close your eyes
Lay it all down
Don't you cry
Can't you see I'm going
Where I can see the sun rise
I've been talking to my angel
And he said that it's alright
