

# Anything Anywhere

Melissa Ferrick

I want you  
To know me  
To need me  
Smile when I call your name

I want you  
To never  
Look at  
Anyone else this way

So strange  
This something  
We have between us  
And it's not fair  
If you've never  
Loved this way

Anything, anywhere  
I would give everything I own away  
Always I will sing  
Picturing you singing right back to me

I want you  
To know that  
I will always have you  
No matter if never  
Physically in my arms again  
This love  
Is like  
Mercury  
Splitting off  
Endlessly  
Every time I try  
To nail it down

Anything, anywhere  
I would give everything I own away  
Always I will sing  
Picturing you singing right back to me

Too bad  
The best love hurts so much  
But it's so good yes  
The best love hurts so much

Anything, anywhere  
I would give everything I own away  
Always I will sing  
Picturing you singing right back to me

Anything, anywhere  
I would give everything I own away  
Always I will sing  
Picturing you singing right back to me  
Sing it right back  
Sing it right back  
Sing it right back

Back to me  
Anything ... Anywhere  
Anything ... Anywhere  
Anything ... Anywhere  
Anything ... Anywhere
