

# Everything I Need

Melissa Ferrick

I've got money in the bank  
I've got a car to drive  
I've got a working set of hands  
that my guitar seems to like

I've got a love that won't quit  
I've got time to rest  
I've got a clear able mind  
That sees my life going fine

Ya cause  
Everything I need  
Is right here in my hands  
Right here in my hands  
Right here in my hands

N' I've got a floor to dance on  
I've got a phone to laugh in  
I've got a tub to cry in  
N I've got a bed to hide in  
Oh but sometimes  
I only see what's wrong  
N' sometimes I think  
My god has up and gone  
I'll never write a hit song  
My love will leave me hanging

I've got money in the bank  
I've got a love that won't quit  
I've got a clear able mind  
That sees my life going fine
