

Hold On

Melissa Ferrick

Turn down the bed
Turn down the lights
Turn down your head
Let me be your drug tonight

Turn off the t.v.
Turn off the phone
Turn off all the justifications of why we never
Should have come here alone

Hold on
Hold on to me
Hold on
Tell me I'm the one you've been waiting for all your
life

So come on baby
Show me your not afraid
Show me that I don't have to worry
That I'm going to scare you away

So keep your eyes on me
I'm likely to move too fast
'Cause I'm not sure where we're going to end up you
know and honest
I do not know how long this is going to last

Hold on
Hold on to me
Hold on
Tell me I'm the one you've been waiting for all your
life
Let me be you drug tonight

Don't say a word
Don't say a word
Don't say a word to anyone at all about this
Don't ruin this rush
Don't ruin this rush
Don't ruin this rush for me...hold on to me

Hold on
Tell me I'm the one you've been waiting for all your
life
Hold on to me
I'm the one you've been waiting for
Tell me I'm the one you've been waiting for
Tell me I'm the one you've been waiting for
all your life
Let me be you drug
Let me be you drug tonight
