

# I'm A Lesbian

Melissa Ferrick

Please momma can't you see, I've always tried to please  
I wore ribbons and jewelry and make up and perfume and dresses  
down to my knees  
You said that it's a phase, just something I'd out grow  
But I got a girlfriend and she's got a lawn that I'd sure like  
to mow  
Go on and wish that Brad Pitt would come along  
But I prefer Madonna in a lacy thong

'Cause I'm a lesbian, I don't like nothing swinging 'tween ther  
e legs  
Yeah I'm a lesbian, I don't know why god gave me eggs  
When I have sex it's fun and clean, and no man can jump in betw  
een  
No I don't need no magic wand  
I'm a lesbian

They talk behind my back and criticize my life  
But I get no complaints from Lou Donna Frillaze wife

'Cause I'm a lesbian, I'd rather be with jane than dick  
Yeah I'm a lesbian, a penis doesn't do the trick  
When we go in for 69, I know her's is the same as mine  
Hide your wives cause hear I come  
I'm a lesbian

I'm a lesbian  
When does cheerleading practice start  
Hey there cutie
