Fire In The Morning

Melissa Manchester

I know it's late to call, I don't blame you if you're angry But these are things that only Old lovers understand I remember rainy nights like this when We'd go to bed real early (And) try to catch each other's dreams And wake up holding hands

We'd light a fire in the morning and Keep it burning strong Outside it could be storming, but we Never felt so warm We'd curl up on the couch and trade the World for our love song We'd light a fire in the morning and Make love all day long

I hope you know it's not that I've Got no one else to go to 'Cause I keep thinking of you even When I'm not alone Now I'd love to hear you say I'm still The one you can't say "no" to And that's you'll take me back tonight And for all the love we've known

We'd light a fire in the morning and Keep it burning strong Outside it could be storming, but we Never felt so warm We'd curl up on the couch and trade the World for our love song We'd light a fire in the morning and Make love all day long
