

Whenever I Call You Friend

Melissa Manchester

ooooh, oooooooooh
Whenever I Call You Friend
I begin to think I understand
anywhere at all you and I have always been
forever and ever

I see myself within your eyes
And that's all I need to show me why
Everything I do, always brings me home to you
Forever and ever

Now I know my life has given me
More than memories
Day by day we can see
In every moment there's a reason to carry on

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it...

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it... right

Whenever I Call You Friend
I believe I've come to understand
Anywhere at all you and I were meant to be

Forever and ever

I think about the times to come
Knowin' I will be the lucky one
Ever our love will last
I always want to call you friend

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it...

whenever I call you friend

Now I know that my life has given me more than memories
day by day we can see
in every moment
there
