

Stuck in world  
No longer turning  
Always the girl  
Waiting for something  
Too many days  
Walking around sleeping  
Open my eyes  
I'm tired of dreaming

[Chorus:]  
I wanna run with the reckless emotion  
Find out if love is the size of an ocean  
Even if I crash down, burn out  
At least I'm gunna know what it's like  
To feel alive

Sun on my face  
Lights of the city  
Maybe in love  
Or just learning to be  
On my two feet  
I can only imagine  
I'll say the words  
And believe it will happen

[Chorus:]  
I wanna run with the reckless emotion  
Find out if love is the size of an ocean  
Even if I crash down, burn out  
At least I'm gunna know what it's like  
To feel alive

They think they know  
But how they know me  
I'm getting to know myself  
I'm finally ready  
To be somebody  
With a story to tell

[Chorus:]  
I wanna run with the reckless emotion  
Find out if love is the size of an ocean  
Even if I crash down, burn out  
At least I'm gunna know what it's like  
I wanna feel til my heart breaks wide open  
I wanna blaze like a fire that's growin'  
Even if I crash down, burn out  
At least I'm gunna know what it's like  
To feel alive
