

## Beautiful Day

Mellowdrone

Today's gonna be a beautiful day, uh huh  
No more waiting for the usual thing, uh huh  
Don't dare waste your time, boy  
Don't dare waste your time  
No more waiting for the usual thing, uh huh

What can I do to make this plan go through, uh huh  
Approach then in a different way, uh huh  
Some day I'll get it right  
I swear I'll get it right  
Today's gonna be a beautiful day, uh huh

Today is gonna be a beautiful day  
I'll be sick, you'll be proud  
Take care and don't upset the crowd  
Today is gonna be a beautiful day, uh huh  
Don't dare waste your time boy  
Some day I'll get it right  
(Take care and don't upset the crowd)  
Cause' Today's gonna be a beautiful day, uh huh  
Uh huh, uh huh, uh huh
