

Happy Together

Mellowdrone

Imagine me and you
I do
I think about you day and night
It's only right
To think about the girl you love and hold her tight
So happy together

If I should call you up
Invest a dime
And you say you belong to me and ease my mind
Imagine how the world could be
So very fine
So happy together

I can't see me lovin' nobody but you
For all my life
When you're with me, baby the skies will be blue
For all my life

Me and you and you and me
No matter how they toss the dice
It has to be
The only one for me is you
And you for me
So happy together

Imagine me and you and you and me
No matter how they toss the dice
It has to be
The only one for me is you
And you for me
So happy together

I can't see me loving nobody but you
For all my life
When you're with me baby the skies will be blue
For all my life

I can't see me loving nobody but you
For all my life
When you're with me baby the skies will be blue
For all my life

So happy together
So happy together
