Don't look so sad
You're not much to drag
Infact be glad
You weigh more than that

I know, I know, I know, I know, I know, I know

It's all in fun
I'm your stupid one
Don't think so hard
Life is not so long

I'm ready now for all the shit
Falling from grace you had a save
Please bring it on and break my face
You stupid whiney little faggot

I know, I know, I know, I know, I know, I know
I know, I know, I know, I know, I know, I know

Breathe out, breathe in
Those things they said about you aren't true
Pocket lipstick
Photographic situations

Oh oh, Oh oh, Oh oh
Oh oh, Oh oh, Oh oh

God it's good I'm sitting again
